20 February 2008

18th International Engineering & Technology Fair 23-26 February, 2009 : BIEC, Bangalore, India

I am pleased to advise you that the next edition of the IETF (18th International Engineering & Technology Fair) (IETF 2009)- is organised by Confederation of Indian Industry (CII) from 23rd to 26th February 2009 at a new venue – **Bangalore International Exhibition Centre (BIEC), a most modern Exhibition cum Conference Centre at Bangalore, India.**

IETF – the Flagship Event of CII since 1975 - in its long journey has achieved the status of a **comprehensive international B2B event in this part of the world.** Segmented into well-defined technological sections of the engineering and manufacturing industry, over the years, a **number of focused sector specific shows have been successfully organised during IETF as concurrent shows.**

IETF is a platform for buyer seller meets, international conferences and seminars, business networking, technology assessments, strategic partnerships, vendor development, etc. and is attended by visitors from around the globe. The categories of visitors include CEOs, decision makers, technical experts, sourcing personnel, diplomats, Trade & Government Delegations, media, etc.

Japan will be the Guest Country at the 18th IETF.

The 18th IETF 2009 will cover the following sectors, as focused concurrent shows:

- **Automation** - Automation India 2009
- **Energy & Environment** - Energy & Environment India 2009
- **Hospitality** - International Hospitality Fair (IHF) 2009
- **Manufacturing** - Manufacturing India 2009
- **Safety & Security** - SAFE 2009

I am requesting you to please disseminate the information of **IETF'09 among the concerned sector specific industries in your great country for mobilizing participation.** More information on the concurrent shows will be posted on our website (www.ietfindia.in) shortly.

We look forward to receiving your positive response.

Gurpal Singh
